MEMO TO: LAFCO Commissioners

FROM: Sara Lytle-Pinhey, Assistant Executive Officer

SUBJECT: **Municipal Service Review No. 15-01, Sphere of Influence Modification No. 2015-01 & LAFCO Application No. 2015-01 – Crane Crossing Reorganization to the City of Oakdale**

The Crane Crossing Reorganization to the City of Oakdale project was originally scheduled for consideration at the Commission's June 24, 2015 meeting. The City of Oakdale and the Oakdale Rural Fire Protection District have recently provided information to LAFCO Staff indicating that each agency is considering approval of a revenue sharing agreement that would result in the City no longer requesting detachment from the District. Thus, the City will be amending its application and associated documents to reflect annexation without detachment. LAFCO Staff will be sending an amended public hearing notice to property owners within the affected area.

RECOMMENDATION

Staff recommends that the Commission approve continuance of the proposal to the July 22, 2015 Commission meeting.
